Amendments to the Abstract:

ABSTRACT

The present invention relates to An agglomerated starch-based product and a dry mixes based thereon ~~on agglomerated starch-based product~~ which are provided suitable for preparing instant food preparations. The agglomerated starch-based product is a homogeneous powder wherein each powder particle is an agglomeration of randomly distributed fine grains of starch and maltodextrin. The agglomerated starch-based product is readily dispersible in aqueous fluids and develops its full viscosity instantaneously.
